

Christmas Gratitude

To all our dear friends and benefactors,

We would like to express our deepest gratitude for the constant generosity of you, our dear benefactors. Without your prayers and your alms our small foundation would not exist. God has inspired you to help us and in return we are so happy to offer our prayers and sacrifices for your intentions of prayers.

This year we are able to have the Holy Sacrifice of the Mass celebrated once a month for our benefactors living and deceased,

as well as our daily Rosary to the Immaculate Mother of God.

Thank you!
